

LEELANAU COUNTY EDC REPORT August 2007

Major Community Activities or Issues

The major activities which the Leelanau County EDC has helped facilitate are in regards to county-wide Broadband capabilities and the starting of redevelopment efforts at Sugar Loaf Resort.

Major Company Projects

The current West Bay Partners project and the relocation of One-Up Web are some of the items the EDC is currently involved in.

Revolving Loan Fund Activity

The first grant has been approved by the USDA for our newly established fund. We are currently drafting language and guidelines for its implementation.

TBEDC Assistance Required

A strategic plan initiative was brought up at our last meeting. We have enlisted the Traverse Bay EDC to propose a budget and process to begin work on the plan.
